(1) the Equipment described in Exhibit A to each such Indenture Supplement, and all replacements thereof and substitutions therefor in which the Owner Trustee shall from time to time acquire an interest under the Lease, as more particularly described in the Indenture Supplement and the Lease Supplement executed and delivered with respect to such Equipment;

BUT EXCLUDING, HOWEVER, from the Indenture Estate any and all Excepted Property now existing or hereafter arising and subject always to Section 8.9.

HABENDUM CLAUSE

TO HAVE AND TO HOLD all and singular the aforesaid property unto the Indenture Trustee, its successors and assigns, in trust for the benefit and security of the holders of the Equipment Notes from time to time, without any priority of any one Equipment Note over any other Equipment Note under this Indenture, and for the uses and purposes and subject to the terms and provisions set forth in this Indenture.

This Indenture, as supplemented from time to time, is intended to and shall create and grant to the Indenture Trustee a security interest in the Equipment, which security interest shall attach on the Closing Date. The security interests created by this Indenture and the Indenture Supplements and granted to the Indenture Trustee hereunder and thereunder in the Indenture Estate other than in the Equipment shall likewise attach on the Closing Date.

It is expressly agreed that anything herein contained to the contrary notwithstanding, the Owner Trustee shall remain liable under each of the Operative Agreements to which it is a party to perform all of the obligations assumed by it thereunder, all in accordance with and pursuant to the terms and provisions thereof, and the Indenture Trustee and the Loan Participants shall have no obligation or liability under any of the Operative Agreements to which the Owner Trustee is a party by reason of or arising out of any assignment hereunder, nor shall the

Indenture Trustee (except as to the Indenture Trustee, if the Indenture Trustee shall have become the "Lessor" under the Lease) or the Loan Participants be required or obligated in any manner to perform or fulfill any obligations of the Owner Trustee under or pursuant to any of the Operative Agreements to which the Owner Trustee is a party or, except as herein expressly provided, to make any payment, or to make any inquiry as to the nature or sufficiency of any payment received by it, or present or file any claim, or take any action to collect or enforce the payment of any amounts which may have been assigned to it or to which it may be entitled at any time or times.

Subject to the terms and conditions hereof, the Owner Trustee does hereby constitute the Indenture Trustee the true and lawful attorney of the Owner Trustee, irrevocably, with full power (in the name of the Owner Trustee or otherwise) to ask, require, demand, receive, compound and give acquittance for any and all moneys and claims for moneys due and to become due to the Owner Trustee (other than with respect to the Excepted Property) under or arising out of the Lease, to endorse any checks or other instruments or orders in connection therewith, to file any claims or take any action or institute any proceedings which the Indenture Trustee may deem to be necessary or advisable in the premises. The Owner Trustee has directed the Lessee to make all payments of Rent (other than Excepted Property) payable to the Owner Trustee by the Lessee and all other amounts which are required to be paid to or deposited with the Owner Trustee pursuant to the Lease directly to the Indenture Trustee at such address as the Indenture Trustee shall specify, for application as provided in this Indenture. The Owner Trustee agrees that promptly on receipt thereof, it will transfer to the Indenture Trustee any and all moneys from time to time received by it constituting part of the Indenture Estate, for distribution by the Indenture Trustee pursuant to this Indenture, except that the Owner Trustee shall accept for distribution pursuant to the Trust Agreement any amounts distributed to it by the Indenture Trustee as expressly provided in this Indenture and any Excepted Property.

The Owner Trustee agrees that, at any time and from time to time, upon the written request of the Indenture Trustee, the Owner Trustee will promptly and duly execute and deliver or cause to be duly executed and delivered to the Indenture Trustee any and all such further instruments and documents as the Indenture Trustee may reasonably deem desirable in obtaining the full benefits of this Indenture.

The Owner Trustee does hereby warrant and represent that (i) it has not granted, bargained, sold, assigned, transferred, conveyed, mortgaged or pledged, and hereby covenants that, except as expressly permitted by any Operative Document to which it is a party, it will not grant, bargain, sell, assign, transfer, convey, mortgage or pledge, so long as this Indenture shall remain in effect, any of its right, title or interest in the Indenture Estate, to anyone other than the Indenture Trustee, and (ii) it will not (other than in respect of Excepted Property), except as provided in or permitted by this Indenture or any other Operative Agreement; accept any payment from the Lessee; enter into an agreement amending or supplementing any of the Operative Agreements to which it is a party; execute any waiver or modification of, or consent under the terms of any of the Operative Agreements to which it is a party; settle or compromise any claim against the Lessee arising under any of the Operative Agreements, or submit or

consent to the submission of any dispute, difference or other matter arising under or in respect of any of the Operative Agreements to which it is a party to arbitration thereunder.

THE EQUIPMENT NOTES

SECTION 2.1. Equipment Notes; Title, Dating and Terms. (a) The Equipment Notes issued hereunder shall be substantially in the form set forth in Exhibit A hereto. Additional Equipment Notes and Replacement Notes may be issued pursuant to the terms and conditions contained in Section 2.11. The Equipment Notes shall be dated the date of issuance and authentication thereof, shall be issued in such maturities and principal amounts and shall bear interest as are specified in Exhibit B to the applicable Indenture Supplement. The principal of each Equipment Note shall be payable in installments, on each Installment Payment Date and the final maturity date of such Equipment Note, in amounts equal to the Installment Payment Amount for each such Installment Payment Date and the final maturity date. Pursuant to the terms of the Participation Agreement, each Equipment Note, other than Equipment Notes issued pursuant to Section 2.11, shall be issued to the Pass Through Trustee under each of the

respective Pass Through Trust Agreements as set forth in Exhibit B-2 to each Indenture Supplement.

(b) Unless otherwise provided in an Indenture Supplement, the Equipment Notes shall be issued in registered form only. The Equipment Notes shall be issued in denominations of \$1,000 and integral multiples thereof except that one Equipment Note of each maturity may be in an amount that is not an integral multiple of \$1,000. The Equipment Notes may not be prepaid (or purchased in lieu of prepayment), in whole or in part, except as provided in this Indenture.

All computations of interest accruing on any Equipment Note shall be made on the basis of a year of 360 days consisting of twelve 30-day months.

The principal of, Make-Whole Amount, if any, and interest on the Equipment Notes shall be payable in immediately available funds at the principal corporate trust office of the Indenture Trustee or at any office or agency maintained for such purpose pursuant to Section 2.3, or as otherwise directed in the manner herein provided.

All payments in respect of the Equipment Notes shall be made in United States dollars.

SECTION 2.2. Execution and Authentication. (a) Equipment Notes shall be executed on behalf of the Owner Trustee by the manual or facsimile signature of its President, a senior vice president, a vice president, an assistant vice president, its treasurer, its secretary, an assistant secretary, an assistant treasurer or other authorized officer.

(b) If any officer of the Owner Trustee executing the Equipment Notes or attesting to the Owner Trustee's seal no longer holds that office at the time the Equipment Note is executed on behalf of the Owner Trustee, the Equipment Note shall be valid nevertheless.

(c) Immediately after the execution of the Equipment Notes, the Owner Trustee shall deliver such Equipment Notes to the Indenture Trustee for authentication and, subject to the provisions of Section 2.10, the Indenture Trustee shall authenticate the Equipment Notes by manual or facsimile signature upon verbal or written orders of the Owner Trustee. Equipment Notes shall be authenticated on behalf of the Indenture Trustee by any authorized officer or signatory of the Indenture Trustee.

(d) An Equipment Note shall not be valid or obligatory for any purpose or entitled to any security or benefit hereunder until executed on behalf of the Owner Trustee by the manual or facsimile signature of an officer of the Owner Trustee specified in the first sentence of Section 2.2(a) and until authenticated on behalf of the Indenture Trustee by the manual or facsimile signature of the authorized officer or signatory of the Indenture Trustee. Such signatures shall be conclusive evidence that such Equipment Note has been duly executed, authenticated and issued under this Indenture and any Indenture Supplement.

SECTION 2.3. Registrar and Paying Agent. The Indenture Trustee shall maintain an office or agency where the Equipment Notes may be presented for registration of transfer or for exchange (the "Registrar") and an office or agency where (subject to Sections 2.4 and 2.8) the Equipment Notes may be presented for payment or for exchange (the "Paying Agent"). The Registrar shall keep a register (the "Register") with respect to the Equipment Notes and their transfer and exchange and the payment of Installment Payment Amounts thereon, if any. The Indenture Trustee may appoint one or more co-registrars (the "Co-Registrars") and one or more additional Paying Agents for the Equipment Notes, and the Indenture Trustee may terminate the appointment of any Co-Registrar or Paying Agent at any time upon written notice. The term "Registrar" includes any Co-Registrar. The term "Paying Agent" includes any additional Paying Agent.

The Indenture Trustee shall initially act as Registrar and Paying Agent.

SECTION 2.4. Transfer and Exchange. At the option of a Loan Participant, Equipment Notes may be presented for exchange, or surrendered for transfer, for an equal aggregate principal amount of other Equipment Notes of the same series, having the same interest rate and final maturity date as the Equipment Notes so to be exchanged or transferred and in any authorized denominations at the principal corporate trust office of the Indenture Trustee, or at any office or agency maintained for such purpose pursuant to Section 2.3. Whenever any Equipment Note or Equipment Notes are so presented or surrendered, the Owner Trustee shall execute and deliver to the Indenture Trustee, and the Indenture Trustee shall at the verbal or written direction of the Owner Trustee authenticate and deliver to the Loan Participant, the replacement Equipment Note or Equipment Notes which the Loan Participant or the transferee, as the case may be, is entitled to receive.

All Equipment Notes issued upon any registration of transfer or exchange of Equipment Notes shall be the valid obligations of the Owner Trustee, evidencing the same obligations, and entitled to the same security and benefits under this Indenture, as the Equipment Notes surrendered upon such registration of transfer or exchange.

Every Equipment Note presented or surrendered for registration of transfer or exchange shall (if so required by the Registrar) be duly endorsed by, or be accompanied by a written instrument of transfer or exchange in form satisfactory to the Registrar duly executed by the Loan Participant thereof or such Loan Participant's attorney duly authorized in writing.

No service charge shall be made to a Loan Participant for any registration of transfer or exchange of Equipment Notes, but the Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Equipment Notes.

The Registrar shall not be required (i) to register the transfer of or to exchange any Equipment Note during a period beginning at the opening of business 15 Business Days before the day of the mailing of a notice of prepayment (or purchase in lieu of prepayment, where

applicable) of Equipment Notes pursuant to Section 6.1 or 8.3(e) and ending at the close of business on the day of such mailing, or (ii) to register the transfer of or to exchange any Equipment Note called for prepayment (or purchase in lieu of prepayment, where applicable) pursuant to such Section 6.1 or 8.3(e).

SECTION 2.5. Loan Participant Lists; Ownership of Equipment Notes. (a) The Indenture Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Loan Participants, which list shall be available to the Owner Trustee or its representative for inspection and copying. If the Indenture Trustee is not the Registrar, the Registrar shall furnish (and the Owner Trustee shall cause the Registrar to furnish) to the Indenture Trustee semiannually on or before each Interest Payment Date, and at such other times as the Indenture Trustee may request in writing, a list, in such form and as of such date as the Indenture Trustee may reasonably require, containing all the information in the possession or control of the Registrar as to the names and addresses of Loan Participants.

(b) Ownership of the Equipment Notes shall be proved by the Register kept by the Registrar. Prior to due presentment for registration of transfer of any Equipment Note, the Owner Trustee, the Indenture Trustee, the Paying Agent and the Registrar shall deem and treat the Person in whose name any Equipment Note is registered as the absolute owner of such Equipment Note for the purpose of receiving payment of principal (including, subject to the provisions herein regarding the applicable record dates and Installment Payment Amounts) of, Make-Whole Amount, if any, and (subject to the provisions herein regarding the applicable record dates) interest on such Equipment Note and for all other purposes whatsoever, whether or not such Equipment Note is overdue, and none of the Owner Trustee, the Indenture Trustee, the Paying Agent or the Registrar shall be affected by notice to the contrary.

SECTION 2.6. Mutilated, Destroyed, Lost or Stolen Equipment Notes. If any Equipment Note shall become mutilated, destroyed, lost or stolen, the Owner Trustee shall, upon the written request of the related Loan Participant, issue and execute, and the Indenture Trustee shall authenticate and deliver to the related Loan Participant, in replacement thereof, a new Equipment Note having the same final maturity date, payable to the same Loan Participant in the same principal amount and dated the same date as the Equipment Note so mutilated, destroyed, lost or stolen. If the Equipment Note being replaced has become mutilated, such Equipment Note shall be surrendered to the Indenture Trustee. If the Equipment Note being replaced has been destroyed, lost or stolen, the related Loan Participant shall furnish to the Owner Trustee and the Indenture Trustee such security or indemnity as may be required by them to save the Owner Trustee and the Indenture Trustee harmless and evidence satisfactory to the Owner Trustee and the Indenture Trustee of the destruction, loss or theft of such Equipment Note and of the ownership thereof. Each Equipment Note issued pursuant to this Section 2.6 shall bear a notation by the Indenture Trustee of (i) the aggregate amounts or principal of, and Make-Whole Amount, if any, on, such mutilated, destroyed, lost or stolen Equipment Note that were paid to any holder thereof at any time prior to the delivery of such new Equipment Note and (ii) the date to which interest on such mutilated, destroyed, lost or stolen Equipment Note had been paid to any holder thereof at the time of such delivery. All reasonable charges and

expenses, including but not limited to taxes and other governmental charges, for any substitution or exchange pursuant to this Section 2.6 shall be paid by the related Loan Participant.

SECTION 2.7. Cancellation. The Registrar and any Paying Agent shall forward to the Indenture Trustee all Equipment Notes surrendered to them for replacement, prepayment, registration of transfer, exchange or payment. The Indenture Trustee shall cancel all Equipment Notes surrendered for replacement, prepayment, registration or transfer, exchange or payment and shall destroy canceled Equipment Notes. Written certification of such destruction shall be delivered by the Indenture Trustee to the Owner Trustee.

SECTION 2.8. Payment on Equipment Notes; Defaulted Interest. (a) The Indenture Trustee will arrange directly with any Paying Agent for the payment, or the Indenture Trustee will make payment, of the principal of, Make-Whole Amount, if any, and interest on or in respect of the Equipment Notes. Notwithstanding any provision in this Indenture or in any Equipment Note to the contrary, the Indenture Trustee will pay, or cause to be paid, if so requested by any Loan Participant by written notice to the Owner Trustee and the Indenture Trustee, all amounts payable by the Owner Trustee hereunder to such Loan Participant or a nominee therefor either (i) by transferring by wire in immediately available funds to an account maintained by such Loan Participant with a bank in the United States the amount to be distributed to such Loan Participant or (ii) by mailing a check denominated in U.S. dollars to such Loan Participant at such address as such Loan Participant shall have specified in such notice, in each case, except as set forth in the last sentence of this first paragraph of this Section 2.8(a), without any presentment or surrender of any Equipment Note. Payments on the Equipment Notes in respect of interest and Installment Payment Amounts, if any, payable on an Installment Payment Date, shall be paid on each Interest Payment Date or Installment Payment Date, as the case may be, to the related Loan Participant at the close of business on the relevant Record Date, notwithstanding any registration of transfer or exchange of such Equipment Note subsequent to such Record Date and prior to such Installment Payment Date or Interest Payment Date, as the case may be. A Loan Participant shall have no further interest in, or other right with respect to, the Indenture Estate when and if the principal amount of, Make-Whole Amount, if any, and interest on all Equipment Notes held by such Loan Participant and all other sums payable to such Loan Participant hereunder, under such Equipment Notes and under the Participation Agreement shall have been paid in full as provided herein and therein.

(b) The Indenture Trustee shall require each Paying Agent (other than the Indenture Trustee) to agree in writing that such Paying Agent will hold in trust, for the benefit of the Loan Participants and the Indenture Trustee, all moneys held by the Paying Agent for the payment of principal of, Make-Whole Amount, if any, or interest on, the Equipment Notes

payable to any Loan Participant hereunder, and shall give to the Indenture Trustee notice of any default in the making of any such payment upon such Equipment Notes. The Indenture Trustee at any time may require a Paying Agent to repay to the Indenture Trustee all moneys held by it. Upon so doing the Paying Agent shall have no further liability for the moneys so repaid.

SECTION 2.9. Payment from Indenture Estate Only; Non-Recourse Obligations. Notwithstanding any other provision herein or in the Equipment Notes to the contrary, all amounts payable by the Indenture Trustee and the Owner Trustee under the Equipment Notes, this Indenture and the relevant Indenture Supplement shall be made only from the income and proceeds of the Indenture Estate and each Loan Participant by its acceptance of such Equipment Note agrees that (a) it will look solely to such Indenture Estate for the payment of such amounts, to the extent available for distribution to it as herein provided, and (b) none of the Owner Trustee, the Owner Participant or the Indenture Trustee is or shall be personally liable to any Loan Participant for any amount payable under such Equipment Note or this Indenture, except, in the case of the Owner Trustee and the Indenture Trustee, as expressly provided in this Indenture.

The Connecticut National Bank is entering into this Indenture solely as Owner Trustee under the Trust Agreement and not in its individual capacity, and in no case whatsoever shall The Connecticut National Bank or any entity acting as successor trustee under the Trust Agreement be personally liable for, or for any loss in respect of, any statements, representations, warranties, agreements or obligations hereunder or thereunder; provided that The Connecticut National Bank shall be liable hereunder in its individual capacity, (i) for the performance of its agreements under Section 6.5 of the Participation Agreement, and (ii) for its own willful misconduct or gross negligence. If a successor Owner Trustee is appointed in accordance with the terms of the Trust Agreement and the Participation Agreement, such successor Owner Trustee shall, without any further act, succeed to all of the rights, duties, immunities and obligations hereunder, and its predecessor Owner Trustee and The Connecticut National Bank shall be released from all further duties and obligations hereunder, without prejudice to any claims against The Connecticut National Bank or such predecessor Owner Trustee for any default by The Connecticut National Bank or such predecessor Owner Trustee, respectively, in the performance of its obligations hereunder prior to such appointment.

SECTION 2.10. Execution and Delivery of Equipment Notes upon Original Issuance. The Owner Trustee shall issue, execute and deliver to the Indenture Trustee, and the Indenture Trustee shall authenticate and deliver to the Loan Participants, the Equipment Notes for original issuance only upon Lessee Request and upon payment by each Loan Participant pursuant to the Participation Agreement of an amount equal to the aggregate original principal amount of the Equipment Notes.

SECTION 2.11. Replacement Notes. (a) Subject to fulfillment of the conditions set forth in this Section 2.11 and to compliance with Section 10.2(a) of the Participation Agreement, Replacement Notes may be issued under this Indenture at any time or from time to time, in

connection with a refunding or refinancing pursuant to Section 10.2(a) of the Participation Agreement.

(b) Not fewer than five nor more than 30 Business Days prior to any issuance of Replacement Notes hereunder, the Owner Trustee shall deliver to the Indenture Trustee a request and authorization to issue Replacement Notes that shall specify the principal amount, the date of issuance, the schedule of principal amortization and the final maturity of, the interest rate or rates to be borne by, the dates upon which interest shall be payable on, and other details with respect to, such Replacement Notes that are not inconsistent with this Section 2.11.

(c) The terms, conditions and designations of such Replacement Notes shall be set forth in an Indenture Supplement executed by the Owner Trustee and the Indenture Trustee. Such Replacement Notes shall be executed by the Owner Trustee and deposited with the Indenture Trustee for authentication, but before such Replacement Notes shall be authenticated and delivered by the Indenture Trustee there shall be delivered to the Indenture Trustee, in addition to the other documents and certificates required by this Section 2.11, the following, all of which shall be dated as of the date of such Indenture Supplement:

(i) a copy of such Indenture Supplement (which shall include the form of such Replacement Notes);

(ii) a certificate of a Responsible Officer of the Owner Trustee (who may, as to the matters referred to in clauses (A) and (B) below, rely upon a certificate of a Responsible Officer of the Lessee) to the effect that (A) to the best of his knowledge, no Indenture Event of Default has occurred and is continuing and (B) (I) the conditions in respect of the issuance thereof set forth in this Section 2.11 and in Section 10.2(a) of the Participation Agreement have been fulfilled and (II) all Equipment Notes originally issued under any prior Indenture Supplement have been or will be, prior to or contemporaneously with issuance of the Replacement Notes, prepaid in accordance with Section 6.1(c);

(iii) a request and authorization to the Indenture Trustee by or on behalf of the Owner Trustee to authenticate and deliver such Replacement Notes to or upon the order of the Person or Persons specified in such request and authorization at the address or addresses set forth therein, and in such principal amounts as are stated therein, upon receipt by the Indenture Trustee in accordance with this Section 2.11, but for the account of the Owner Trustee, of the consideration specified in such request and authorization;

(iv) an opinion of counsel satisfactory to the Indenture Trustee to the effect that the legal conditions to the issuance of such Replacement Notes have been fulfilled;

(v) the written consent of the Lessee to such request and authorization; and

(vi) such additional documents, certificates and opinions as shall be reasonably requested by, and acceptable to, the Owner Trustee and the Indenture Trustee including, but not limited to, such documents, financing statements, and opinions as are reasonably necessary to confirm that the refunding or refinancing of all Equipment Notes of the series as to which the refunding or refinancing is occurring, is being carried out.

When the documents referred to in clauses (i) through (vi) above shall have been delivered to the Indenture Trustee and when the Replacement Notes described in the above-mentioned request and authorization shall have been executed and authenticated as required by this Indenture, the Indenture Trustee shall deliver such Replacement Notes in the manner described in clause (iii).

SECTION 2.12. Security for and Parity of Equipment Notes. It is the intention of the parties hereto that all Equipment Notes issued and Outstanding hereunder rank on a parity with each other Equipment Note and, that as to each other Equipment Note, they be secured equally and ratably by the collateral described in this Indenture and the Indenture Supplements under which such Equipment Notes were issued and authenticated, without preference, priority or distinction of any one thereof over any other by reason of difference in time of issuance or otherwise, and that each such Equipment Note be entitled to the same benefits and security in this Indenture and the Indenture Supplements as each other such Equipment Note.

SECTION 2.13. Application of Payments to Principal, Make-Whole Amount and Interest. In the case of each Equipment Note, each payment of principal of, and Make-Whole Amount, if any, and interest on such Equipment Note, shall be applied, first, to the payment of accrued but unpaid interest on such Equipment Note (including any interest or overdue principal, Make-Whole Amount and (to the extent permitted by Applicable Law) interest) to the date of such payment, second, to the payment of the unpaid principal amount of such Equipment Note, and third, the balance, if any, remaining thereafter, to the payment of Make-Whole Amount, if any, then due and payable on such Equipment Note, provided that such Equipment Note shall not be subject to prepayment by the Owner Trustee except as provided in Sections 6.1 and 8.3(e).

ARTICLE III

SECTION 3.2. Payment in Case of Prepayment of Equipment Notes. Except as otherwise provided in Section 3.5, in the event the Equipment Notes of any series are prepaid in whole or in part in accordance with the provisions of Section 6.1, the Indenture Trustee will apply on the Prepayment Date any amounts then held by it in the Indenture Estate with respect to such Equipment Notes and received by it from or on behalf of the Lessee or the Owner Trustee (other than Excepted Property), in the following order of priority:

Any portion of any such amount referred to in the preceding sentence which is not required to be so paid to the Lessee pursuant to the Lease, solely because a Lease

Event of Default shall have occurred, shall be held by the Indenture Trustee, and at such time as there shall not be continuing any Lease Event of Default, such portion shall be paid to the Owner Trustee to be held or distributed in accordance with the terms of the Lease, unless the Indenture Trustee (as assignee from the Owner Trustee of the Lease) shall have theretofore declared the Lease to be in default pursuant to Section 15 thereof, in which event such portion shall be distributed forthwith upon such declaration in accordance with the provisions of Section 3.5.

(d) a Lease Event of Default (other than any such Lease Event of Default arising by reason of nonpayment of, or failure to perform with respect to, any Excepted Property when due); provided that any such Lease Event of Default shall be deemed to exist and continue so long as, but only so long as, it shall not be remedied or waived; or

SECTION 8.2. Acceleration: Rescission and Annulment. Subject to Section 8.3(e), if an Indenture Event of Default occurs and is continuing, the Indenture Trustee may, or upon instruction by Loan Participants owning at least a majority in aggregate principal amount of Outstanding Equipment Notes shall, by notice to the Owner Trustee, the Lessee and the Owner Participant, declare the principal of all the Equipment Notes to be due and payable; provided that the Equipment Notes will automatically become due and payable without any action of the Indenture Trustee or the Loan Participants in the case of an Event of Default under Section 8.1(e), 8.1(f) or 8.1(g). Upon such declaration, the principal of all Equipment Notes, together with accrued interest thereon from the date in respect of which interest was last paid hereunder to the date payment of such principal has been made or duly provided for, shall be immediately due and payable. At any time after such declaration or automatic acceleration, as the case may be, and prior to the sale or disposition of the Indenture Estate, the Loan Participants owning a majority in aggregate principal amount of Outstanding Equipment Notes, by notice to the Indenture Trustee, the Owner Trustee, the Lessee and the Owner Participant, may rescind such a declaration or automatic acceleration, as the case may be, and thereby annul its consequences if (i) an amount sufficient to pay all principal of, Make-Whole Amount, if any, and interest on such Equipment Notes, to the extent each such amount is due or past due without regard to the acceleration hereof, if any, in respect of the Outstanding Equipment Notes otherwise than by reason of such declaration and all sums due and payable to the Indenture Trustee has been deposited with the Indenture Trustee, (ii) the rescission would not conflict with any judgment or decree and (iii) all existing Indenture Defaults and Indenture Events of Default under this Indenture have been cured or waived except nonpayment of principal of, Make-Whole Amount, if any, or interest on the Equipment Notes that has become due solely because of such acceleration.

SECTION 8.3. Other Remedies Available to Indenture Trustee. (a) After an Indenture Event of Default shall have occurred and so long as such Indenture Event of Default shall be continuing, then and in every such case the Indenture Trustee, as trustee of an express trust and as assignee hereunder of the Lease or as holder of a security interest in the Equipment or otherwise, may, and when required pursuant to the provisions of Article IX shall, exercise (subject to Sections 8.3(b), 8.3(e), 8.3(f) and 8.3(h)), any or all of the rights and powers and pursue any and all of the remedies accorded to the Owner Trustee pursuant to Section 15 of the Lease and this Article VIII, may recover judgment in its own name as Indenture Trustee against the Indenture Estate and may take possession of all or any part of the Indenture Estate and may exclude the Owner Trustee and the Owner Participant and all Persons claiming under any of them wholly or partly therefrom; provided, however, that the Indenture Trustee shall not be entitled to exercise any remedy hereunder as a result of an Indenture Event of Default which arises solely by reason of one or more events or circumstances which constitute a Lease Event of Default unless the Indenture Trustee as security assignee of the Owner Trustee shall have exercised or shall concurrently be exercising its right to terminate the Lease, to demand return of the Equipment from the Lessee or to exercise one or more comparable remedies under the Lease.

(b) If an Indenture Event of Default shall have occurred and for so long as such Indenture Event of Default shall be continuing, subject to Sections 8.3(a), 8.3(e), 8.3(f) and 8.3(h), the Indenture Trustee may, if at the time such action may be lawful and always subject to compliance with any mandatory legal requirements, either with or without taking possession, and either before or after taking possession, and without instituting any legal proceedings whatsoever, and having first given notice of such sale by registered mail to the Owner Trustee, the Owner Participant and the Lessee once at least 30 days prior to the date of such sale, and any other notice which may be required by law, sell and dispose of the Indenture Estate, or any part thereof, or interest therein, at a private sale or sales or a public auction to the highest bidder, in each case, in one lot as an entirety or in separate lots, and either for cash or on credit and on such terms as the Indenture Trustee may determine, and at any place (whether or not it be the location of the Indenture Estate or any part thereof) and time designated in the notice above referred to; provided, however, that, notwithstanding any provision herein to the contrary, the Indenture Trustee shall not sell any of the Indenture Estate or exercise other remedies against the Indenture Estate seeking to deprive the Owner Trustee or the Owner Participant of its interest therein unless a declaration of acceleration has been made pursuant to Section 8.2 and the requirements of the proviso to Section 8.3(a) have been fulfilled. Any such sale or sales may be adjourned from time to time by announcement at the time and place appointed for such sale or sales, or for any such adjourned sale or sales, without further notice, and the Indenture Trustee and any Loan Participant may bid and become the purchaser at any such sale. The Indenture Trustee may exercise such right without possession or production of the Equipment Notes or proof of ownership thereof, and as representative of the Loan Participants may exercise such right without notice to the Loan Participants or including the Loan Participants as parties to any suit or proceeding relating to foreclosure of any property in the Indenture Estate. The Owner Trustee hereby irrevocably constitutes the Indenture Trustee the true and lawful attorney-in-fact of the Owner Trustee (in the name of the Owner Trustee or otherwise) for the purpose

of effectuating any sale, assignment, transfer or delivery for enforcement of the Lien created under this Indenture, whether pursuant to foreclosure or power of sale or otherwise, to execute and deliver all such bills of sale, assignments and other instruments as the Indenture Trustee may consider necessary or appropriate, with full power of substitution, the Owner Trustee hereby ratifying and confirming all that such attorney or any substitute shall lawfully do by virtue hereof. Nevertheless, if so requested by the Indenture Trustee or any purchaser, the Owner Trustee shall ratify and confirm any such sale, assignment, transfer or delivery, by executing and delivering to the Indenture Trustee or such purchaser all bills of sale, assignments, releases and other proper instruments to effect such ratification and confirmation as may be designated in any such request.

(c) Subject to Sections 8.3(a), 8.3(b), 8.3(e), 8.3(f) and 8.3(h), if an Indenture Event of Default has occurred and is continuing, the Owner Trustee shall, at the request of the Indenture Trustee, promptly execute and deliver to the Indenture Trustee such instruments of title or other documents as the Indenture Trustee may deem necessary or advisable to enable the Indenture Trustee or an agent or representative designated by the Indenture Trustee, at such time and place or places as the Indenture Trustee may specify, to obtain possession of all or any part of the Indenture Estate. If the Owner Trustee shall for any reason fail to execute and deliver such instruments and documents after such request by the Indenture Trustee, the Indenture Trustee shall be entitled to a judgment for specific performance of the covenants contained in the foregoing sentence, conferring upon the Indenture Trustee the right to immediate possession and requiring the Owner Trustee to execute and deliver such instruments and documents to the Indenture Trustee. The Indenture Trustee shall also be entitled to pursue all or any part of the Indenture Estate wherever it may be found and may enter any of the premises of the Owner Trustee or any other Person (subject to the Lessee's right of quiet enjoyment pursuant to the Lease) wherever the Indenture Estate may be or be supposed to be and search for the Indenture Estate and take possession of any item of the Indenture Estate pursuant to this Section 8.3(c). The Indenture Trustee may, from time to time, at the expense of the Indenture Estate, make all such expenditures for maintenance, insurance, repairs, replacements, alterations, additions and improvements to and of the Indenture Estate, as it may deem proper. In each such case, the Indenture Trustee shall have the right to use, operate, store, lease, control or manage the Indenture Estate and to exercise all rights and powers of the Owner Trustee relating to the Indenture Estate as the Indenture Trustee shall deem appropriate, including the right to enter into any and all such agreements with respect to the use, operation, storage, leasing, control or management of the Indenture Estate or any part thereof; and the Indenture Trustee shall be entitled to collect and receive directly all tolls, rents (including Rent), issues, profits, products, revenues and other income of the Indenture Estate and every part thereof, without prejudice, however, to the right of the Indenture Trustee under any provision of this Indenture to collect and receive cash held by, or required to be deposited with, the Indenture Trustee hereunder. In accordance with the terms of this Section 8.3(c), such tolls, rents (including Rent), issues, profits, products, revenues and other income shall be applied to pay the expenses of using, operating, storing, leasing, controlling or managing the Indenture Estate, and of all maintenance, insurance, repairs, replacements, alterations, additions and improvements, and to make all payments which the Indenture Trustee may be required or may elect to make, if any, for taxes,

assessments, insurance or other proper charges upon the Indenture Estate or any part thereof (including the employment of engineers and accountants to examine, inspect and make reports upon the properties and books and records of the Owner Trustee and, to the extent permitted by the Lease, the Lessee), and all other payments which the Indenture Trustee may be required or authorized to make under any provision of this Indenture, including this Section 8.3(c), as well as just and reasonable compensation for the services of the Indenture Trustee, and of all persons properly engaged and employed by the Indenture Trustee.

If an Indenture Event of Default occurs and is continuing and the Indenture Trustee shall have obtained possession of or title to the Equipment, the Indenture Trustee shall not be obligated to use or operate the Equipment or cause the Equipment to be used or operated directly or indirectly by itself or through agents or other representatives or to lease, license or otherwise permit or provide for the use or operation of the Equipment by any other Person unless (i) the Indenture Trustee shall have been able to obtain insurance in kinds, at rates and in amounts satisfactory to it in its discretion to protect the Indenture Estate and the Indenture Trustee, as trustee and individually, against any and all liability for loss or damage to the Equipment and for public liability and property damage resulting from use or operation of the Equipment and (ii) funds are available in the Indenture Estate to pay for all such insurance or, in lieu if such insurance, the Indenture Trustee is furnished with indemnification from the Loan Participants or any other Person upon terms and in amounts satisfactory to the Indenture Trustee in its discretion to protect the Indenture Estate and the Indenture Trustee, as trustee and individually, against any and all liabilities.

(d) Subject to Sections 8.3(a), 8.3(b), 8.3(e), 8.3(f) and 8.3(h), the Indenture Trustee may proceed to protect and enforce this Indenture and the Equipment Notes by suit or suits or proceedings in equity, at law or in bankruptcy, and whether for the specific performance of any covenant or agreement herein contained or in execution or aid if any power herein granted, or for foreclosure hereunder, or for the appointment of a receiver or receivers for the Indenture Estate or any part thereof, or for the recovery of judgment for the indebtedness secured by the Lien created under this Indenture or for the enforcement of any other proper, legal or equitable remedy available under Applicable Law.

(e)(i)(1) In the event of any default by the Lessee in the payment of any installment of Basic Rent due under the Lease, the Owner Trustee or the Owner Participant, without the consent of the Indenture Trustee or any Loan Participant, may pay to the Indenture Trustee for application in accordance with Section 3.3, a sum equal to the amount of all (but not less than all) principal and interest as shall be due and payable on the Outstanding Equipment Notes to the date of payment, together with any interest on account of such payment of Basic Rent being overdue as provided in clause (i) of the second sentence of Section 3.3 of the Lease.

(2) In the event of any default by the Lessee in the performance of any obligation under the Lease (other than the obligation to pay Basic Rent) or any other Operative Agreement, the Owner Trustee or the Owner Participant, without the consent of the

Indenture Trustee or any Loan Participant, may exercise the Lessor's rights under Section 17 of the Lease to perform such obligation on behalf of the Lessee.

(3) Solely for the purpose of determining whether there exists an Indenture Event of Default, (i) any payment by the Owner Trustee or the Owner Participant pursuant to, and in compliance with, Section 8.3(e)(i)(1) shall, for the purposes of this Indenture, be deemed to remedy any default by the Lessee in the payment of installments of Basic Rent theretofore due and payable and to remedy any default by the Owner Trustee in the payment of any amount due and payable under the Equipment Notes, in each case only to the extent that such payment pursuant to Section 8.3(e)(i)(1) is in an amount sufficient to remedy such default as of the date of such payment, and (ii) any performance by the Owner Trustee or the Owner Participant of any obligation of the Lessee under the Lease pursuant to, and in compliance with, Section 8.3(e)(i)(2) shall, for the purposes of this Indenture, be deemed to remedy any default by the Lessee in the performance in full of such obligation and to remedy any related default by the Owner Trustee under this Indenture.

(4) Until 15 Business Days after the Owner Trustee and the Owner Participant shall have been given notice by the Indenture Trustee of the occurrence of an Indenture Event of Default that may be cured under this Section 8.3(e)(i), the Indenture Trustee shall not exercise any rights as assignee of the Owner Trustee's rights under the Lease or declare the Equipment Notes to be due and payable pursuant to Section 8.2 as a result of such Indenture Event of Default.

(5) The notice referred to in Section 8.3(e)(i)(4) to be given by the Indenture Trustee may be combined with the notice of the Indenture Trustee specified in Section 8.3(e)(iii) of the Indenture Trustee's intention to declare the Equipment Notes accelerated or otherwise exercise rights or remedies hereunder or under the Lease.

(6) This Section 8.3(e)(i) shall not apply to any default by the Lessee in the payment of any installment of Basic Rent due under the Lease, if default by the Lessee in the payment of three consecutive installments of Basic Rent, or in the payment of a total of six installments of Basic Rent, shall have been cured by the Owner Trustee or the Owner Participant pursuant to the foregoing provisions of this Section 8.3(e)(i).

(7) Upon the exercise of any cure right under this Section 8.3(e)(i), neither the Owner Trustee nor the Owner Participant shall retain any Lien on any part of the Indenture Estate on account of any payment made or the costs and expenses incurred in connection therewith nor shall any claim of the Owner Trustee or the Owner Participant against the Lessee or any other Person for the repayment thereof impair the prior right and security interest of the Indenture Trustee in and to the Indenture Estate.

(ii) Upon the exercise of any cure right under Section 8.3(e)(i)(1) or any cure right effected by the payment of money under Section 8.3(e)(i)(2), the Owner Trustee or the Owner

Participant, as the case may be, shall be subrogated to the rights of the Loan Participants to receive from the Indenture Trustee, in the case of any cure pursuant to Section 8.3(e)(i)(1), the installment of Basic Rent with respect to which the Owner Trustee or the Owner Participant effected such cure (including interest on account of such installment being overdue) or, in the case of any cure effected by any payment of money pursuant to Section 8.3(e)(i)(2), Supplemental Rent due with respect thereto, and if the Indenture Trustee shall thereafter receive such installment of Basic Rent or payment of Supplemental Rent, then, notwithstanding the requirements of Section 3.3, the Indenture Trustee forthwith shall remit such installment of Basic Rent or payment of Supplemental Rent to the Owner Trustee or the Owner Participant, as the case may be, in reimbursement for the funds so advanced by either of them; provided, however, that, if any Indenture Event of Default shall have occurred and be continuing, such installment of Basic Rent or payment of Supplemental Rent shall not be remitted to the Owner Trustee or the Owner Participant but shall be held by the Indenture Trustee as security for the obligations secured hereby and distributed in accordance with Section 3.5; and provided further, that, if the principal of and interest on any Equipment Notes shall have become due and payable pursuant to Section 8.2, such installment of Basic Rent or payment of Supplemental Rent shall be distributed by the Indenture Trustee in accordance with Section 3.5.

(iii) The Indenture Trustee agrees that if, after the occurrence and continuation of an Indenture Event of Default, the Indenture Trustee intends to declare the Equipment Notes to be accelerated or to exercise other rights or remedies under this Indenture or under the Lease, the Indenture Trustee shall give notice of such intention to the Owner Trustee and the Owner Participant at least 15 (but not more than 30) Business Days prior to making such declaration or exercising such right or remedy. No declaration of acceleration by Loan Participants pursuant to Section 8.2 shall be effective unless the Owner Trustee and the Owner Participant are given at least 15 (but not more than 30) Business Days' prior written notice of their intention to make such declaration of acceleration. Each Loan Participant shall be deemed to agree by its acceptance of its Equipment Note that if, after the giving of any such notice of intention by the Indenture Trustee or the Loan Participants, as the case may be, the Owner Trustee shall give notice to the Indenture Trustee of the Owner Trustee's intention to purchase, or cause to be purchased by a Person designated by the Owner Trustee (or prepay in lieu of purchase) all of the Equipment Notes in accordance with this Section 8.3(e)(iii), on a date specified in such notice not more than 15 Business Days after the date of such notice accompanied by assurances reasonably satisfactory to the Indenture Trustee of the Owner Trustee's (or such designated Person's) ability to purchase (or prepay in lieu of purchase) the Equipment Notes, then, neither the Indenture Trustee nor the Loan Participants, shall thereafter accelerate the Equipment Notes or exercise other rights or remedies under this Indenture or under the Lease for a period through and including the date specified for purchase of the Equipment Notes in such Owner Trustee notice, provided that on or before the date specified for purchase the Owner Trustee shall have deposited with the Indenture Trustee a Prepayment Price equal to the aggregate unpaid principal amount of all unpaid Equipment Notes then Outstanding, without Make-Whole Amount or penalty, together with accrued but unpaid interest thereon to the date of such receipt (as well as any interest on overdue principal and, to the extent permitted by Applicable Law, overdue interest as provided in clause (i) of the second sentence of Section 3.3 of the Lease) and any

other amounts then due and payable to each Loan Participants hereunder. In addition, the Owner Trustee may upon 15 Business Days prior written notice to the Indenture Trustee, purchase, or cause to be purchased by a Person designated by the Owner Trustee (or prepay in lieu of purchase), the Equipment Notes, if the Indenture Trustee has not exercised or attempted to exercise remedies under this Indenture or the Lease for a period of 180 days after the earlier of (x) the occurrence of an Indenture Event of Default or (y) the date the Indenture Trustee is no longer stayed from exercising such remedies. Notwithstanding the foregoing, the Owner Trustee will have no right pursuant to this Section 8.3(e)(iii) to purchase or prepay, or to cause a Person designated by the Owner Trustee to purchase or prepay, the Equipment Notes during any period the Beneficial Interest is held by the Lessee or an Affiliate thereof. The Prepayment Price with respect to any prepayment described in the preceding sentence shall be as determined in the third sentence of this Section 8.3(e)(iii). In the event of a purchase by the Owner Trustee of Equipment Notes pursuant to this Section 8.3(e)(iii), upon payment to the Indenture Trustee of such amount, each Loan Participant will be deemed to sell, assign, transfer and convey to the Owner Trustee or its designee (without recourse or warranty of any kind other than of title to the Equipment Notes so conveyed) all of the right, title and interest of such Loan Participant in and to the Indenture Estate, this Indenture and all Equipment Notes held by such Loan Participant. On and after the date of payment of such amount to the Indenture Trustee, the Indenture Trustee shall no longer treat the former Loan Participants as the "Loan Participants", except for purposes of the Loan Participants' right to receive their respective portions of the amounts paid to the Indenture Trustee as aforesaid, and on such date the Registrar shall register the transfer of ownership of the Equipment Notes into the name of the Owner Trustee or its designee.

(f) Notwithstanding any provision of this Indenture to the contrary, including, without limitation, Sections 8.3(b), 8.3(c), and 8.3(d), as long as no Lease Event of Default shall have occurred and be continuing, neither the Indenture Trustee nor the Owner Trustee shall take any action contrary to, or disturb, the Lessee's rights under the Lease, including, without limitation, (x) the right to receive all monies due and payable to it in accordance with the provisions of the Lease and (y) the Lessee's rights to possession and use of the Equipment.

(g) Each and every right, power and remedy herein given to the Indenture Trustee specifically or otherwise in this Indenture shall be cumulative and shall be in addition to every other right, power and remedy herein specifically given or now or hereafter existing at law, in equity or by statute, each and every right, power and remedy whether specifically herein given or otherwise existing may, subject to the limitations set forth herein, be exercised from time to time and as often in such order as may be deemed expedient by the Indenture Trustee, and the exercise or the beginning of the exercise of any power or remedy shall not be construed to be a waiver of the right to exercise at the same time or thereafter any other right, power or remedy. No delay or omission by the Indenture Trustee or any Loan Participant in the exercise of any right, remedy or power or in pursuing any remedy shall impair any such right, power or remedy or be construed to be a waiver of any default on the part of the Owner Trustee or the Lessee or to be an acquiescence therein.

(h) Notwithstanding anything contained herein, so long as any Pass Through Trustee is the registered holder of any Equipment Note hereunder, the Indenture Trustee is not authorized or empowered to acquire title to all or any portion of the Indenture Estate (including the property subject to all or any portion of the Indenture Estate (including the property subject to the Lien of this Indenture) so acquired by it if such acquisition or action would cause any Pass Through Trust to fail to qualify as a "grantor trust" for federal income tax purposes.

(i) Subject to Sections 8.3(e) and 8.9, the Indenture Trustee shall have the right to exercise all remedies provided to it under this Indenture to the exclusion of the Owner Trustee.

SECTION 8.4. Waiver of Owner Trustee. To the extent now or at any time hereafter enforceable under Applicable Law, the Owner Trustee covenants that it will not at any time insist upon or plead, or in any manner whatsoever claim or take any benefit or advantage of, any stay or extension law now or at any time hereafter in force, nor claim, take or insist upon any benefit or advantage of or from any law now or hereafter in force providing for the valuation or appraisal of the Indenture Estate or any part thereof, prior to any sale or sales thereof to be made pursuant to any provision herein contained, or to the decree, judgment or order of any court of competent jurisdiction; nor, after such sale or sales, claim or exercise any right under any statute now or hereafter made or enacted by any state or otherwise to redeem the property so sold or any part thereof, and hereby expressly waives for itself and on behalf of each and every Person, except decree or judgment creditors of the Owner Trustee acquiring any interest in or title to the Indenture Estate or any part thereof subsequent to the date of this Indenture, all benefit and advantage of any such law or laws, and covenants that it will not invoke or utilize any such law or laws or otherwise hinder, delay or impede the execution of any power herein granted and delegated to the Indenture Trustee, but will suffer and permit the execution of every such power as though no such law or laws had been made or enacted. Nothing in this Section 8.4 shall be deemed to be a waiver by the Owner Trustee of its rights under the proviso to Section 8.3(a) and under Sections 8.3(e) and 8.9.

SECTION 8.5. Waiver of Existing Defaults. The Loan Participants owning a majority in the aggregate principal amount of the Outstanding Equipment Notes by notice to the Indenture Trustee may waive on behalf of the Loan Participants an existing Indenture Default or Indenture Event of Default and its consequences except (i) an Indenture Default or Indenture Event of Default in the payment of the principal of, Make-Whole Amount, if any, or interest on, any Equipment Note or (ii) in respect of a covenant or provision hereof which pursuant to Section 11.2 cannot be amended or modified without the consent of the Loan Participant affected.

SECTION 8.6. Control by Loan Participants. Loan Participants owning at least a majority in aggregate unpaid principal amount of the Outstanding Equipment Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Indenture Trustee or exercising any trust or power conferred on it by this Indenture. However, the Indenture Trustee may refuse to follow any direction that conflicts with law or this

Indenture, that is unduly prejudicial to the rights of the Loan Participants so affected, or that would subject the Indenture Trustee to personal liability.

SECTION 8.7. Limitation on Suits by Loan Participants. A Loan Participant may pursue a remedy under this Indenture or under an Equipment Note only if:

(1) the Loan Participant gives to the Indenture Trustee written notice of a continuing Indenture Event of Default under this Indenture;

(2) Loan Participants owning at least a majority in aggregate principal amount of the Outstanding Equipment Notes make a written request to the Indenture Trustee to pursue the remedy;

(3) such Loan Participant or Loan Participants offer to the Indenture Trustee indemnity satisfactory to the Indenture Trustee against any loss, liability or expense to be, or which may be, incurred by the Indenture Trustee in pursuing the remedy;

(4) the Indenture Trustee does not comply with the request within 60 days after receipt of the request and the offer of indemnity; and

(5) during such 60-day period, Loan Participants owning a majority in aggregate principal amount of the Outstanding Equipment Notes do not give the Indenture Trustee a direction inconsistent with the request.

A Loan Participant may not use this Indenture to prejudice the rights of another Loan Participant or to obtain a preference or priority over another Loan Participant.

SECTION 8.8. Rights of Loan Participants to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any Loan Participant to receive payment of principal of, Make-Whole Amount, if any, and interest on an Equipment Note on or after the respective due dates expressed in such Equipment Note, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Loan Participant.

SECTION 8.9. Certain Rights of Owner Trustee and Owner Participant. Notwithstanding any other provision this Indenture:

(a) whether or not an Indenture Event of Default shall have occurred and be continuing, the Owner Trustee and the Owner Participant shall at all times retain the right (to the exclusion of the Indenture Trustee) (A) to Excepted Property and to give any notice of default under Section 14 of the Lease and to declare the Lease in default in respect of Excepted Property and to commence an action at law to obtain such Excepted Property; provided, that the rights referred to in this Section 8.9(a) shall not be deemed to include the exercise of any remedies provided for in Section 15 of the Lease other than the right to proceed by appropriate

court action or actions, either at law or in equity, to enforce performance by the Lessee of the applicable covenants or to recover damages for the breach thereof, (B) to adjust Basic Rent and the percentages relating to Stipulated Loss Value, Termination Value and EBO Price as provided in Section 3.4 of the Lease and Section 2.6 of the Participation Agreement, (C) to all rights with respect to insurance carried in accordance with Section 12.3 of the Lease, (D) to exercise all rights of the Owner Trustee and Owner Participant under Sections 6.7(b) and 10.3 of the Participation Agreement and (E) to exercise the rights of the Lessor under Section 17 of the Lease, so as to permit the exercise of rights under Section 8.3(e) hereof and to demand payment of any Supplemental Rent payable by the Lessee pursuant to said Section 17 as a result of the exercise of such rights and to commence an action at law to obtain such Supplemental Rent, provided, that the rights referred to in this clause (E) shall not be deemed to include the exercise of any remedies provided for in Section 15 of the Lease other than the right to proceed by appropriate court action or actions, either at law or at equity, to enforce performance by the Lessee of said Section 17 or to recover damages for the breach thereof;

(b) whether or not an Indenture Event of Default shall have occurred and be continuing, the Owner Trustee, but not to the exclusion of the Indenture Trustee, shall have the right (A) to receive from the Lessee all notices, certificates, reports, filings, Opinions of Counsel, copies of all documents and all information which the Lessee is permitted or required to give or furnish to the "Lessor", the Owner Participant or the Owner Trustee pursuant to any Operative Agreement, (B) to exercise the inspection rights provided for in Section 13.2 of the Lease, and (C) to retain the right to cause the Lessee to take any action and execute and deliver such documents and assurances as the "Lessor" may from time to time reasonably request pursuant to Sections 16.2 and 16.3 of the Lease, provided, that the right referred to in this clause (C) shall include the right to give any notice of default under Section 14 of the Lease and to declare the Lease to be in default but shall not be deemed to include the exercise of any remedies provided for in Section 15 of the Lease other than the right to proceed by appropriate court action or actions, either at law or at equity, to enforce performance by the Lessee of said Section 16.2 or to recover damages for the breach thereof;

(b) The Indenture Trustee may rely on any document believed by it to be genuine and to have been signed or presented by the proper Person. The Indenture Trustee need not investigate any fact or matter stated in such document.

(c) Before the Indenture Trustee acts or refrains from acting, it may consult with counsel or require an Officer's Certificate or an Opinion of Counsel from the Lessee or the Owner Trustee after which it will take such action or refrain from acting as it deems appropriate. The Indenture Trustee shall not be liable for any action it takes or omits to take in good faith and in accordance herewith in reliance on a resolution of the Board of Directors of the Lessee, the written advice of counsel acceptable to the Owner Trustee, the Lessee and the Indenture Trustee, or Officer's Certificates or Opinions of Counsel provided by the Lessee or the Owner Trustee.

(d) The Indenture Trustee may act through agents and shall not be responsible for the misconduct or negligence of any such agent appointed with due care; provided that, so long as no Lease Event of Default shall have occurred and be continuing, no such agents shall be appointed by the Indenture Trustee without the consent of the Owner Trustee, which consent shall, in each case, not be unreasonably withheld.

(e) The Indenture Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers.

(f) The Indenture Trustee may refuse to perform any duty or exercise any right or power unless it receives indemnity satisfactory to it against any loss, liability or expense.

(g) Subject to the provisions of Section 9.3, the Indenture Trustee shall not be liable for interest on any moneys received by it except as the Indenture Trustee may otherwise agree in writing with the Owner Trustee. Moneys held in trust by the Indenture Trustee need not be segregated from other funds except to the extent required by law.

(h) If an Indenture Event of Default under this Indenture has occurred and is continuing, the Indenture Trustee shall exercise its rights and powers under this Indenture, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(i) Except during the continuance of an Indenture Event of Default:

(1) the Indenture Trustee need perform only those duties that are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Indenture Trustee; and

(2) in the absence of bad faith on its part, the Indenture Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Indenture Trustee and conforming to the requirements of this Indenture. However, the Indenture Trustee shall examine the certificates and opinions to determine whether or not they substantially conform to the requirements of this Indenture.

(j) The Indenture Trustee may not be relieved from liability for its own gross negligence, prior to an Indenture Event of Default, or its own negligent action, its own negligent failure to act or its own wilful misconduct after the occurrence of an Indenture Event of Default, except that:

(1) this paragraph does not limit the effect of paragraph (i) of this Section;

(2) the Indenture Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer or officers; and

(3) the Indenture Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with the direction received by it pursuant to Section 8.6.

(k) Every provision of this Indenture that in any way relates to the Indenture Trustee is subject to paragraphs (h), (i) and (j) of this Section.

SECTION 9.2. Individual Rights of Indenture Trustee. The Indenture Trustee in its individual or any other capacity may become the owner or pledgee of Equipment Notes and may otherwise have business relationships with the Owner Trustee, the Owner Participant, the Lessee or an Affiliate of any thereof with the same rights it would have if it were not the Indenture Trustee. Any Agent may do the same with like rights.

SECTION 9.3. Funds May Be Held By Indenture Trustee or Paying Agent; Investments. Any monies (including for the purpose of this Section 9.3 any cash deposited with the Indenture Trustee or Permitted Investments purchased by the use of such cash pursuant to this Section 9.3 or any cash constituting the proceeds of the maturity, sale or other disposition of any Permitted Investment) held by the Indenture Trustee or the Paying Agent hereunder as part of the Indenture Estate, until paid out by the Indenture Trustee or the Paying Agent as herein provided, (i) subject to clause (ii) below, may be carried by the Indenture Trustee or the Paying Agent on deposit with itself or on deposit to its account with any bank, trust company or national banking association incorporated or doing business under the laws of the United States of America or one of the States thereof having combined capital and surplus and retained earnings of at least \$500,000,000, and neither the Indenture Trustee nor the Paying Agent shall have any liability for interest upon any such monies except as otherwise agreed in writing with the Owner Trustee or the Lessee, or (ii) at any time and from time to time, so long as no Lease Event of Default shall have occurred and be continuing, at the request (given directly by the

Lessee to the Indenture Trustee) of the Lessee acting as the agent of the Owner Trustee, shall be invested and reinvested in Permitted Investments as specified in such request (if such investments are reasonably available for purchase), and such Permitted Investments shall be held by the Indenture Trustee in trust as part of the Indenture Estate until so sold; provided that the Lessee, on behalf of the Owner Trustee, shall upon demand pay to the Indenture Trustee the amount of any loss realized upon maturity, sale or other disposition of any such Permitted Investment and, so long as no Lease Event of Default shall have occurred and be continuing, be entitled to receive from the Indenture Trustee, and the Indenture Trustee, on behalf of the Owner Trustee, shall promptly pay to the Lessee any profit, income, interest, dividend or gain realized upon maturity, sale or other disposition of any Permitted Investment. If any Lease Event of Default shall have occurred and be continuing, any net income, profit, interest, dividend or gain realized upon maturity, sale or other disposition of any Permitted Investment shall be held as part of the Indenture Estate and shall be applied by the Indenture Trustee at the same time, on the same conditions and in the same manner as the amounts in respect of which such income, profit, interest, dividend or gain was realized are required to be distributed in accordance with the provisions hereof or of the Lease pursuant to which such amounts were required to be held. The Indenture Trustee shall not be responsible for any losses on any investments or sales of Permitted Investments made pursuant to the procedure specified in this Section. An account statement delivered by the Indenture Trustee to the Lessee shall be deemed written confirmation by the Lessee that the investment transactions identified therein accurately reflect the investment directions given to the Indenture Trustee by the Lessee, unless the Lessee notifies the Indenture Trustee in writing to the contrary within thirty (30) days of the receipt of such statement.

SECTION 9.4. Notice of Defaults. If an Indenture Event of Default under this Indenture occurs and is continuing and if it is actually known to a Responsible Officer of the Indenture Trustee, the Indenture Trustee shall (i) promptly send written notice thereof to the Owner Trustee, the Lessee and the Owner Participant (except the Indenture Trustee shall not be obligated to provide such notice to any such Person if such Person had informed the Indenture Trustee of such Indenture Event of Default) and (ii) within 90 days after it occurs, mail to each Loan Participant notice of all uncured Indenture Events of Default under this Indenture. Except in the case of a default in the payment of the principal of, Make-Whole Amount, if any, or interest on any Equipment Note, the Indenture Trustee shall be protected in withholding the notice required under clause (ii) above if and so long as the executive committee or trust committee of directors of the Indenture Trustee and/or Responsible Officers thereof in good faith determines that withholding such notice is in the interest of the Loan Participants.

SECTION 9.5. Compensation and Indemnity. (a) The Owner Trustee shall pay to the Indenture Trustee, from time to time, on demand, all funds received for such purposes from the Lessee for (i) reasonable compensation for the Indenture Trustee's services, which compensation shall not be limited by any law on compensation of a trustee of an express trust, (ii) reimbursement for all reasonable out-of-pocket expenses incurred by the Indenture Trustee in connection with the performance of its duties under this Indenture (including the reasonable compensation and expenses of the Indenture Trustee's counsel and any agent appointed in

accordance with Section 9.1(c) and (iii) in respect of any loss or liability incurred by it arising out of or in connection with its acceptance or administration of the trust or trusts hereunder except (A) as such expenses or loss or liability might result from the gross negligence or wilful misconduct of the Indenture Trustee or the inaccuracy of any representation or warranty of the Indenture Trustee in Section 3.3 of the Participation Agreement, (B) as otherwise provided in Section 9.9 and (C) as otherwise excluded by the terms of Sections 7.1 and 7.2 of the Participation Agreement from the Lessee's indemnities under said sections; provided that, so long as the Lease is in effect, the Indenture Trustee shall not make any claim under this Section 9.5 for any claim or expense indemnified against by the Lessee under the Participation Agreement without first making demand on the Lessee for payment of such claim or expense. The Indenture Trustee shall notify the Owner Trustee and the Lessee promptly of any claim for which it may seek indemnity. The Owner Trustee shall have the right to defend the claim and the Indenture Trustee shall cooperate in the defense. The Indenture Trustee may have separate counsel and the Owner Trustee, subject to limitations set forth in the preceding sentence, shall pay the reasonable fees and expenses of such counsel. The Owner Trustee need not pay for any settlement made without its and the Lessee's consent.

(b) To secure the payment obligations of the Owner Trustee pursuant to this Section 9.5, and in addition to the rights to payment afforded to the Indenture Trustee pursuant to Section 3.5 above, the Indenture Trustee shall have a Lien prior to any claim of the Loan Participants on all money or property held or collected from the Lessee for such purposes by the Indenture Trustee, except that held in trust to pay the principal of, Make-Whole Amount, if any, and interest on, the Equipment Notes.

SECTION 9.6. Replacement of Indenture Trustee. (a) The resignation or removal of the Indenture Trustee and the appointment of a successor Indenture Trustee shall become effective only upon the successor Indenture Trustee's acceptance of appointment as provided in this Section.

(b) The Indenture Trustee may resign by giving at least 30 days' prior written notice to the Lessee and the Owner Trustee. Loan Participants holding a majority in aggregate principal amount of the Outstanding Equipment Notes may remove the Indenture Trustee by giving at least 30 days' prior written notice to the Indenture Trustee, the Owner Trustee and the Lessee and may appoint a successor Indenture Trustee; provided, that if and so long as no Indenture Event of Default shall have occurred and be continuing, the Owner Trustee and the Lessee shall have the right to consent to such successor which consent shall not be unreasonably withheld. The Owner Trustee may remove the Indenture Trustee if:

- (1) the Indenture Trustee fails to comply with Section 9.8;
- (2) the Indenture Trustee is adjudged a bankrupt or an insolvent;
- (3) a receiver or public officer takes charge of the Indenture Trustee or its property; or

(4) the Indenture Trustee becomes incapable of acting.

(c) If (i) the Indenture Trustee resigns or is removed, (ii) the Loan Participants have removed the Indenture Trustee pursuant to the second sentence of Section 9.6(b) and have not appointed a successor within 30 days with the consent of the Owner Trustee and the Lessee as provided therein or (iii) or if a vacancy otherwise exists in the office of the Indenture Trustee for any reason, then the Owner Trustee shall promptly appoint a successor Indenture Trustee.

(d) If a successor Indenture Trustee does not take office within 30 days after the retiring Indenture Trustee resigns or is removed, the retiring Indenture Trustee, the Lessee, the Owner Trustee or the Loan Participants holding a majority in aggregate principal amount of the Outstanding Equipment Notes may petition any court of competent jurisdiction for the appointment of a successor Indenture Trustee.

(e) If the Indenture Trustee fails to comply with Section 9.8, any Loan Participant may petition any court of competent jurisdiction for the removal of such Indenture Trustee and the appointment of a successor Indenture Trustee.

(f) A successor Indenture Trustee shall deliver a written acceptance of its appointment to the retiring Indenture Trustee, to the Lessee and to the Owner Trustee. Thereupon, the resignation or removal of the retiring Indenture Trustee shall become effective, and the successor Indenture Trustee shall have all the rights, powers and duties of the retiring Indenture Trustee for which the successor Indenture Trustee is to be acting as Indenture Trustee under this Indenture. The retiring Indenture Trustee shall promptly transfer all property and all books and records relating to the administration of the Indenture Estate held by it as Indenture Trustee to the successor Indenture Trustee subject to the Lien provided for in Section 9.5. The Owner Trustee shall give notice of each appointment of a successor Indenture Trustee by mailing written notice of such event by first-class mail to the Loan Participants.

(g) All provisions of this Section 9.6 except subparagraphs (b)(1) and (e) and the words "subject to the Lien provided for in Section 9.5" in subparagraph (f) shall apply also to any Paying Agent.

SECTION 9.7. Successor Indenture Trustee, Agents by Merger, etc. If the Indenture Trustee or any Agent consolidates with, merges or converts into, or transfers all or substantially all of its corporate trust business assets to, another corporation, the successor corporation, without any further act, but subject to the provisions of Section 9.8, shall be the successor Indenture Trustee or Agent, as the case may be.

SECTION 9.8. Eligibility; Disqualification. This Indenture shall at all times have an Indenture Trustee which shall have a combined capital and surplus of at least \$75,000,000 (or having a combined capital and surplus in excess of \$5,000,000 and the obligations of which, whether now in existence or hereafter incurred, are fully and unconditionally guaranteed by a corporation organized and doing business under the laws of the United States, any State or

Territory thereof or of the District of Columbia and having a combined capital and surplus of at least \$75,000,000). If the Indenture Trustee publishes reports of conditions at least annually, pursuant to law or to the requirements of Federal, State, Territorial or District of Columbia supervising or examining authority, then for the purposes of this Section 9.8, the combined capital and surplus of the Indenture Trustee shall be deemed to be its combined capital and surplus as set forth in its most recent report of conditions so published.

In case at any time the Indenture Trustee shall cease to be eligible in accordance with the provisions of this Section 9.8, the Indenture Trustee shall resign immediately in the manner and with the effect specified in Section 9.6.

SECTION 9.9. Trustee's Liens. The Indenture Trustee in its individual capacity agrees that it will at its own cost and expense promptly take such action as may be necessary to comply with the provisions of Section 6.4(a) of the Participation Agreement.

SECTION 9.10. Withholding Taxes; Information Reporting. The Indenture Trustee shall exclude and withhold from each distribution of principal, Make-Whole Amount, if any, and interest and other amounts due hereunder or under the Equipment Notes any and all withholding taxes applicable thereto as required by law. Any such withholding shall in no event give rise to an Indenture Event of Default. The Indenture Trustee agrees (i) to act as such withholding agent and, in connection therewith, whenever any present or future taxes or similar charges are required to be withheld with respect to any amounts payable in respect of the Equipment Notes, to withhold such amounts and timely pay the same to the appropriate authority in the name of and on behalf of the Loan Participants, (ii) that it will file any necessary withholding tax returns or statements when due and (iii) that, as promptly as possible after the payment of such amounts, it will deliver to each Loan Participant appropriate documentation showing the payment of such amounts, together with such additional documentary evidence as such Loan Participants may reasonably request from time to time. The Indenture Trustee agrees to file any other information reports as it may be required to file under United States law. To the extent that the Indenture Trustee fails, with respect to any Loan Participant, to withhold and pay over any such taxes to the appropriate taxing authority, the Indenture Trustee shall, upon a claim being made for such taxes by such authority, and before making any claim to the Lessee for indemnification under Section 7.1 of the Participation Agreement (if such indemnification would otherwise be permissible thereunder), take all reasonable steps to recover such taxes from such Loan Participant, including, without limitation, withholding the amount of such taxes from subsequent distributions, if any, to such Loan Participant. To the extent that the Indenture Trustee receives any amount from the Lessee for indemnification of such taxes which the Indenture Trustee thereafter recovers from the appropriate Loan Participant (including by withholding from subsequent distributions to such Loan Participant) the Indenture Trustee shall reimburse the Lessee therefor. The Indenture Trustee shall be permitted to rely upon any certificate presented by a Loan Participant claiming an exemption from withholding taxes, absent bad faith on the part of the Indenture Trustee.

SECTION 9.11. Co-Trustee. At any time, for the purpose of meeting any legal requirements of any jurisdiction in which any part of the Indenture Estate may at the time be located, the Indenture Trustee shall have the power and shall execute and deliver all instruments necessary, to appoint one or more Persons to act as co-trustee, or co-trustees, or separate trustee or separate trustees, of all or any part of the Indenture Estate, and to vest in such Person or Persons in such capacity, such interest in the Indenture Estate or any part thereof, and such rights, powers, duties, trusts or obligations as the Indenture Trustee may consider necessary or desirable.

ARTICLE X

SECTION 10.1. Satisfaction and Discharge of Agreement; Defeasance; Termination of Obligations. Subject to Section 10.2, this Indenture shall cease to be of further effect, and the Owner Trustee and the Indenture Trustee shall, except as herein provided, be deemed to have been discharged from their respective obligations with respect to the Equipment Notes (and the Indenture Trustee, on demand and at the expense of the Owner Trustee, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture in respect of the Equipment Notes), when

(a)(i) the principal of, Make-Whole Amount, if any, and interest on the Equipment Notes and all other amounts due and payable under the Indenture have been paid in full or;

(ii) all Equipment Notes theretofore executed and delivered (other than (A) Equipment Notes which have been mutilated, destroyed, lost or stolen and which have been replaced or exchanged as provided in Section 2.6 and (B) Equipment Notes for the payment of which money held in trust hereunder has been paid and discharged from such trust, as provided in Section 7.1) have been delivered to the Indenture Trustee for cancellation; or

(iii) all Equipment Notes not theretofore delivered to the Indenture Trustee for cancellation have become due and payable (whether upon stated maturity, as a result of prepayment or upon acceleration), or will become due and payable (including as a result of prepayment in respect of which irrevocable notice has been given to the Indenture Trustee on or prior to the date of such deposit) at maturity within one year, and there has been deposited with the Indenture Trustee in trust for the purpose of paying and discharging the entire indebtedness on the Equipment Notes not theretofore canceled by the Indenture Trustee or delivered to the Indenture Trustee for cancellation, an amount in cash sufficient without reinvestment thereof to discharge such indebtedness, including the principal of, Make-Whole Amount, if any, and interest on the Equipment Notes to the date of such deposit (in the case of

Equipment Notes which have become due and payable), or to the maturity thereof, as the case may be; or

(iv) (A) the Owner Trustee has deposited or caused to be deposited irrevocably (except as provided in Section 10.4) with the Indenture Trustee as trust funds in trust, specifically pledged as security for, and dedicated solely to, the benefit of the Loan Participants, (1) money in an amount, or (2) U.S. Government Obligations which, through the payment of interest and principal in respect thereof in accordance with their terms, will provide (not later than one Business Day before the due date of any payment referred to below in this clause) money in an amount, or (3) a combination of money and U.S. Government Obligations referred to in the foregoing clause (2), sufficient, in the opinion of a nationally recognized firm of independent certified public accountants expressed in a written certification thereof delivered to the Indenture Trustee, to pay and discharge each installment of principal of, Make-Whole Amount, if any, and interest on the Outstanding Equipment Notes on the dates such payments of principal or interest are due (including as a result of prepayment in respect of which irrevocable notice has been given to the Indenture Trustee on or prior to the date of such deposit), and no Lease Event of Default under Sections 14(g) and (h) of the Lease shall have occurred and be continuing on the date of such deposit or at any time during the period ending on the 91st day after such date; provided, however, that, upon the making of the deposit referred to above in clause (A), the right of the Owner Trustee or the Lessee to cause the prepayment of Equipment Notes (except a prepayment in respect of which irrevocable notice has theretofore been given) shall terminate; and

(B) such deposit will not result in a breach or violation of, or constitute an Indenture Default or Indenture Event of Default under, this Indenture or a default or event of default under any other agreement or instrument to which the Owner Trustee or the Lessee is party or by which it is bound;

(b) all other amounts then due and payable hereunder have been paid; and

(c) the Owner Trustee has delivered to the Indenture Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for relating to the satisfaction and discharge of this Indenture contemplated by this Section 10.1 have been complied with.

SECTION 10.2. Survival of Certain Obligations. Notwithstanding the provisions of Section 10.1, the obligations of the Owner Trustee and the Indenture Trustee contained in Sections 2.1 through 2.8, 7.1, 9.9, 9.10, 10.3 and 10.4 and the rights, duties, immunities and privileges hereunder of the Indenture Trustee shall survive.

SECTION 10.3. Moneys to Be Held in Trust. All moneys and U.S. Government Obligations deposited with the Indenture Trustee pursuant to Section 10.1 shall be held in trust and applied by it, in accordance with the provisions of the Equipment Notes and this Indenture, to the payment either directly or through any Paying Agent as the Indenture Trustee may

SECTION 10.4. Moneys to Be Returned to Owner Trustee. The Indenture Trustee and any Paying Agent shall promptly pay or return to the Owner Trustee upon request of the Owner Trustee any moneys or U.S. Government Obligations held by them at any time that are not required for the payment of the amounts described above in Section 10.3 for which moneys or U.S. Government Obligations have been deposited pursuant to Section 10.1.

(4) create any Lien on the Indenture Estate prior to or pari passu (except for Liens created in connection with the issuance of Additional Equipment Notes under Section 2.11) with the Lien thereon under this Indenture except such as are permitted by

this Indenture, or deprive any Loan Participant of the benefit of the Lien on the Indenture Estate created by this Indenture; or

(5) reduce the percentage in principal amount of the Outstanding Equipment Notes, the consent of whose holders is required for any such supplemental agreement, or the consent of whose holders is required for any waiver (of compliance with certain provisions of this Indenture or of defaults hereunder or their consequences) provided for in this Indenture; or

(6) make any change in Sections 8.5, 8.8 or this Section 11.2(a).

(b) It shall not be necessary under this Section 11.2 for the Loan Participants to consent to the particular form of any proposed supplemental agreement, but it shall be sufficient if they consent to the substance thereof.

(c) Promptly after the execution by the Owner Trustee and the Indenture Trustee of any supplemental agreement pursuant to the provisions of this Section 11.2, the Indenture Trustee shall transmit by first-class mail a notice, setting forth in general terms the substance of such supplemental agreement, to all Loan Participants, as the names and addresses of such Loan Participants appear on the Register. Any failure of the Indenture Trustee to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental agreement.

SECTION 11.3. Record Date for Consents, Notices, etc. The Owner Trustee may at its option by delivery of an Officer's Certificate to the Indenture Trustee set a record date to determine the Loan Participants entitled to give any consent, request, demand, authorization, direction, notice, waiver or other act. Such record date shall be the record date specified in such Officer's Certificate which shall be a date not more than 30 nor less than 15 days prior to the first solicitation of Loan Participants in connection therewith. If such a record date is fixed, such consent, request, demand, authorization, direction, notice, waiver or other act may be given before or after such record date, but only the Loan Participants of record at the close of business on such record date shall be deemed to be Loan Participants for the purposes of determining whether Loan Participants holding the requisite proportion of Outstanding Equipment Notes have authorized or agreed or consented to such consent, request, demand, authorization, direction, notice, waiver or other act, and for that purpose the Outstanding Equipment Notes shall be computed as of such record date; provided that no such consent, request, demand, authorization, direction, notice, waiver or other act by the Loan Participants on such record date shall be deemed effective unless it shall become effective pursuant to the provisions of this Indenture not later than one year after the record date.

SECTION 11.4. Notation on or Exchange of Equipment Notes. The Indenture Trustee may place an appropriate notation about an amendment or waiver on any Equipment Note thereafter executed. The Indenture Trustee in exchange for such Equipment Notes may execute new Equipment Notes that reflect the amendment or waiver.

SECTION 11.5. Indenture Trustee Protected. The Indenture Trustee need not sign any supplemental agreement that, in its reasonable opinion, adversely affects its rights, immunities or indemnities.

SECTION 11.6. Amendments, Waivers, etc. of Other Operative Agreements.

(a) Without the consent of a Majority In Interest of the Certificate Holders, the respective parties to the Lease, the Participation Agreement and the Trust Agreement may not modify, amend or supplement any of such agreements, or give any consent, waiver, authorization or approval thereunder, for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions thereof or of modifying in any manner the rights of the respective parties thereunder; provided, however, that the actions specified in subsection (b) of this Section 11.6 may be taken without the consent of the Indenture Trustee or any of the Certificate Holders.

(b) The respective parties to the Lease, the Trust Agreement and the Participation Agreement, at any time and from time to time without the consent of the Indenture Trustee or any of the Certificate Holders, may, subject to compliance with Section 6.10 of the Participation Agreement:

(1) so long as no Indenture Event of Default shall have occurred and be continuing, modify, amend or supplement the Lease, or give any consent, waiver, authorization or approval with respect thereto, except that without compliance with subsection (a) of this Section 11.6, the parties to the Lease shall not modify, amend or supplement, or give any consent, waiver, authorization or approval for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions thereof or of modifying in any manner the rights of the respective parties thereunder, with respect to the following provisions of the Lease: Section 2, Section 3.1, Section 3.2, Section 3.3 (insofar as payments to the Indenture Trustee or any Certificate Holder are concerned), Section 3.4 (other than for adjustments to Basic Rent, Stipulated Loss Value and Termination Value made pursuant to Section 3.4 of the Lease and Section 2.6 of the Participation Agreement), Section 3.5, Section 3.6 (except insofar as it relates to the address or account information of the Owner Trustee or Indenture Trustee), Section 3.7, Section 4, Section 7, Section 8, Section 9.1 (except as it relates to Extended Required Modifications), the first sentence of Section 9.2, Section 10 (except that additional requirements may be imposed on the Lessee's ability to terminate the Lease with respect to a Unit), Section 11 (except that additional requirements may be imposed on the Lessee's ability to replace a Unit subject to an Event of Loss), Section 12 (except that additional insurance requirements may be imposed on the Lessee), Section 13 (other than Section 13.1(c) and Section 13.1(d)), Section 14, Section 15, Section 16, Section 17, Section 18, Section 19, Section 20, Section 21, Section 22 (if the result thereof would be to provide any additional renewal or purchase options which would take effect prior to the final maturity of the Trust Certificates), Section 24, Section 25.1, Section 25.4, Section 25.6 and Section 25.7; provided, that in the event an Indenture

Event of Default shall have occurred and be continuing, the Indenture Trustee may exercise the rights of the Owner Trustee as "Lessor" under the Lease to modify, amend or supplement the Lease or give any consent, waiver, authorization or approval thereunder, for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions thereof or of modifying in any manner the rights of the "Lessor" thereunder; provided, further, that whether or not an Indenture Event of Default shall have occurred and be continuing, no such action shall be taken with respect to any of the provisions of Sections 3, 4, 5.1, 6, 7, 8, 9, 10, 11, 12 (with respect to public liability insurance coverage of the Owner Trustee and the Owner Participant), 13, 14, 16, (with respect to filings or recordings in favor of the Owner Trustee or the Owner Participant), 17, 18, 19, 22, 23 and 25 of the Lease or any definition of terms used in the Lease, to the extent that any such action would result in a modification of the Lease without the consent of the Owner Trustee (acting at the direction of the Owner Participant) or would affect the amount or timing of any amounts payable by the Lessee under the Lease as originally executed (or as subsequently modified with the consent of the Owner Trustee) which, absent the occurrence and continuance of an Indenture Event of Default, would be distributable to the Owner Trustee under Section 3 or any other Section of the Lease, however, the limitations on the Indenture Trustee's rights set forth in the immediately preceding provision will be of no force and effect during any period when the Beneficial Interest is held by the Lessee or any Affiliate thereof and during such period the Indenture Trustee will have, to the exclusion of the Owner Trustee, the rights set forth in the first proviso of this Section 11.6(b)(1);

(2) modify, amend or supplement the Trust Agreement, or give any consent, waiver, authorization or approval with respect thereto, except that without compliance with subsection (a) of this Section 11.6, the parties to the Trust Agreement shall not modify, amend or supplement, or give any consent, waiver, authorization or approval with respect to Sections 2.1, 2.2, 10.1, 10.2 or any other Section of the Trust Agreement if such action would materially adversely affect the interests of the Loan Participants; and

(3) modify, amend or supplement the Participation Agreement, or give any consent, waiver, authorization or approval with respect thereto, except that without compliance with subsection (a) of this Section 11.6, the parties to the Participation Agreement shall not modify, amend or supplement, or give any consent, waiver, authorization or approval for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions thereof or of modifying in any manner the rights of the respective parties thereunder, with respect to the following provisions of the Participation Agreement: Sections 1, 2, 3, 4, 5, 6, 7.1 (to the extent the rights of the Indenture Trustee or the Loan Participants, as Indemnified Persons, may be affected), 7.2 (to the extent the rights of the Indenture Trustee or the Loan Participants, as Indemnified Persons, may be affected), 9, 10.1, 10.2 (to the extent rights of the Indenture Trustee or the Loan Participants may be affected) and 10.13; and

(4) modify, amend or supplement any of said Operative Agreements in order to cure any ambiguity, to correct or supplement any provision thereof which may be

defective or inconsistent with any other provision thereof or any provision of this Indenture, or to make any other provision with respect to matters or questions arising thereunder or under this Indenture which shall not be inconsistent with the provisions of this Indenture, provided no such action shall, in the sole determination of the Indenture Trustee, adversely affect the interest of the Indenture Trustee or the holders of the Equipment Notes.

(c) No modification, amendment, supplement, consent, waiver, authorization or approval with respect to the Lease or the Participation Agreement, whether effected pursuant to subsection (a) or pursuant to subsection (b) of this Section 11.6, and anything in such subsections or elsewhere in this Indenture to the contrary notwithstanding, shall, without the consent of the Holder of each Certificate affected thereby:

(1) modify, amend or supplement the Lease in such a way as to extend (A) the time of payment of, Basic Rent, any Advance, Supplemental Rent (to the extent payable to the Indenture Trustee or to the Certificate Holders), Stipulated Loss Value and any other amounts payable under, or as provided in, the Lease upon the occurrence of an Event of Loss and Termination Value and any other amounts payable under, or as provided in, the Lease upon termination thereof pursuant to Section 10 of the Lease, or (B) reduce the amount of any installment of Basic Rent so that the same is less than the payment of interest and principal on the Equipment Notes, as the case may be, to be made from such installment of Basic Rent or (C) reduce the aggregate amount of Stipulated Loss Value or Termination Value except in accordance with Section 3.4 of the Lease and Section 2.6 of the Participation Agreement; or

The payment of any installment of principal may be recorded by each Loan Participant on the grid set forth herein, but the failure to make any such notation shall not affect the obligations of the Owner Trustee hereunder. All amounts payable by the Owner Trustee hereunder and under the Trust Indenture and Security Agreement, dated as of June 30, 1992, as amended or supplemented (herein called the "Indenture", the defined terms therein not otherwise defined herein being used herein with the same meanings), by and between the Owner Trustee, and NationsBank of South Carolina, National Association, as Indenture Trustee thereunder, shall be made only from the income and proceeds of the Indenture Estate. Each Loan Participant, by its acceptance of this Equipment Note, agrees that (a) it will look solely to the income and proceeds of the Indenture Estate (except for Excepted Property) for payment of such amounts, to the extent available for distribution to the Loan Participant hereof as provided in the Indenture and (b) none of the Owner Participant, the Owner Trustee or the Indenture Trustee is or shall be personally liable to the holder hereof for any amount payable hereunder or under the Indenture, in the case of the Indenture Trustee and the Owner Trustee.

The interest or Installment Payment Amount so payable, and paid or duly provided for, will, as provided in the Indenture, be paid to the Person in whose name this Equipment Note (or one or more predecessor Equipment Notes) is registered at the close of business on the Record Date for payment of such interest or Installment Payment Amount, which shall be the fifteenth day (whether or not a Business Day), as the case may be, next preceding such Interest Payment Date or Installment Payment Date, as the case may be.

The principal of, Make-Whole Amount, if any, and interest on this Equipment Note shall be payable in immediately available funds at the principal corporate trust office of the Indenture Trustee or at any office or agency maintained for such purpose pursuant to Section 2.3 of the Indenture, or as otherwise directed in the manner provided in the Indenture. Notwithstanding the foregoing or any provision herein to the contrary, the Indenture Trustee will pay, or cause to be paid, if so requested by any Loan Participant by written notice to the Owner Trustee and the Indenture Trustee, all amounts payable by the Owner Trustee hereunder to such Loan Participant or a nominee therefor either (i) by transferring by wire in immediately available funds to an account maintained by such Loan Participant with a bank in the United States the amount to be distributed to such Loan Participant or (ii) by mailing a check denominated in U.S. dollars to such Loan Participant at such address as such Loan Participant shall have specified in such notice, in any case without any presentment or surrender of this Equipment Note, except that the Loan Participant shall surrender this Equipment Note to the Indenture Trustee upon payment in full of the principal amount of and

interest on this Equipment Note and such other sums payable to such Loan Participant under the Indenture or under this Equipment Note.

This Equipment Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose unless this Equipment Note has been executed on behalf of the Owner Trustee by the manual or facsimile signature of an authorized officer of the Owner Trustee, and authenticated by the Indenture Trustee by the manual signature of an authorized officer or signatory of the Indenture Trustee, in each case as specified in Section 2.2 of the Indenture.

Reference is made to the Indenture and all supplements and amendments thereto (a copy of which is on file with the Indenture Trustee at its principal corporate trust office) for a more complete statement of the terms and provisions thereof, including a statement of the properties thereby conveyed, pledged and assigned, the nature and extent of the security, the respective rights thereunder of the Owner Trustee, the Lessee, the Indenture Trustee and the Loan Participants, and the terms upon which the Equipment Notes are, and are to be, executed and delivered, as well as for a statement of the terms and conditions of the trust created by the Indenture, to all of which terms and conditions in the Indenture each Loan Participant agrees by its acceptance of this Equipment Note.

On each Installment Payment Date, the registered holder hereof will receive a payment of principal equal to the Installment Payment Percentage for such Installment Payment Date multiplied by the Current Principal Amount of this Equipment Note as follows:

<u>Installment Payment Date</u>	<u>Installment Percentage</u>
_____, ____	____ %
_____, ____	____
_____, ____	____
_____, ____	____

As more fully provided in the Indenture, the Equipment Notes are subject to prepayment in whole or in part, or purchase, under the circumstances set forth in the Indenture, at a prepayment price equal to the unpaid principal amount thereof, Make-Whole Amount, if any, plus accrued interest thereon to the Prepayment Date.

If an Indenture Event of Default shall occur and be continuing, the unpaid principal amount of the Equipment Notes may, subject to the terms of the Indenture, be declared due and payable in the manner and with the effect provided in the Indenture. If, and only if, such an event of default is caused by an event of default by the Lessee under the Lease, the Indenture Trustee may declare the Lease to be in default, and may, subject to Section 8.3(a) of the Indenture, to the exclusion of the Owner Trustee, exercise one or more of the remedies of the Owner Trustee provided in the Lease.

The right of the Loan Participant to institute action for any remedy under the Indenture, including the enforcement of payment of any amount due hereon, is subject to certain restrictions specified in the Indenture.

The Owner Trustee and the Indenture Trustee will be discharged from their respective obligations in respect of the Equipment Notes (except for certain matters, including obligations to register the transfer or exchange of Equipment Notes, replace stolen, lost or mutilated Equipment Notes, maintain paying agencies and hold moneys for payment in trust), and the Indenture Trustee may thereupon cause the release of the Indenture Estate from the Lien of the Indenture, if (a) the Owner Trustee deposits or causes to be deposited irrevocably with the Indenture Trustee, in trust, money or U.S. Government Obligations which through the payment of interest and principal in respect thereof in accordance with their terms will provide money in an amount sufficient to pay principal of, Make-Whole Amount, if any, and interest on the Outstanding Equipment Notes on the dates such payments are due in accordance with the terms of such Equipment Notes and (b) certain other conditions are satisfied.

As provided in the Indenture and subject to certain limitations therein set forth, this Equipment Note is transferable, and upon surrender of this Equipment Note for registration of transfer at the principal corporate trust office of the Registrar, or at the office or agency

maintained for such purpose, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Registrar duly executed by, the Loan Participant or his attorney duly authorized in writing, one or more new Equipment Notes of the same maturity and type and of authorized denominations and for the same aggregate principal amount will be issued to the designated transferee or transferees.

The Equipment Notes are issuable only as registered Equipment Notes. The Equipment Notes are issuable in denominations of \$1,000 and integral multiples thereof, except that one Equipment Note of each maturity may be in a denomination other than an integral multiple of \$1,000.

No service charge shall be made for any such registration of transfer or exchange, but the Registrar may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment for registration of transfer of this Equipment Note, the Owner Trustee, the Indenture Trustee, the Paying Agent, the Registrar and the Lessee may deem and treat the Person in whose name this Equipment Note is registered as the absolute owner hereof for the purpose of receiving payment of the principal of and interest on this Equipment Note and for all other purposes whatsoever whether or not this Equipment Note be overdue, and neither the Owner Trustee, the Indenture Trustee, the Paying Agent, the Registrar nor the Lessee shall be affected by notice to the contrary.

AS PROVIDED IN THE INDENTURE, THE INDENTURE AND THIS EQUIPMENT NOTE SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF ILLINOIS WITHOUT REFERENCE TO THE CHOICE OF LAW DOCTRINE OF SUCH STATE.

IN WITNESS WHEREOF, the Owner Trustee has caused this instrument to be duly executed under its corporate seal.
